

Unfinished – Week 2

Staying On mission

Small Groups - Bethany Church Long Beach

Intro:

What was helpful or challenging for you in this weeks message and why?

What did you learn from reading Paul's first sermon at the end of chapter 13? Did you come up with any personal ways to share what he shared on his first mission?

Read Acts 14

Group Questions:

1. When you remember your own personal conversion story with Jesus Christ, how does that motivate you to live for Him?
2. Most of us are not called to quit our jobs and go live like a missionary. In fact, most of us should assume God intends for us to live on mission right where we are. When you review how you are spending your time, energy and talents, are you holistic in how you share the gospel?

Note: If you aren't ever sharing the gospel what is stopping you – email us at Bethany, we want to help in this area. Email: info@bethanylb.org

3. We can all live for God on the mission He's called us to in every area of life (school, work, caring for others, family, etc.). How can you help cultivate a mindset that living for God in the "mundane" things of life is really what it means to live on mission?
4. Who would you like to actively pursue with the goal of sharing the good news of Jesus with them? What excuses have you made that make this task difficult? (Could be our children, co-workers, siblings, neighbors, etc.).
5. What things distract you from living on the mission God has given to us all, to make followers of Jesus who live for God in everything?
6. What tribulations (distress, trials, opposition), do you encounter that tempt you to think that God loves or cares about you less?
7. Where are you living for your own glory and the praise of people? How can we live for God's glory and not our own?
