

Hi Prayer Team,

So much is happening here. Thank you for your faithfulness in praying for us each day. We have been invited by an organization here to go into Myanmar for a few days. Our travel plans and visas have been approved and we feel the Lord leading us to take this opportunity. We also feel that there is a possibility the Lord may be using this as a connection for long term relationships/partnerships for the future. Please pray for safety, travel mercies, wisdom, trust in the Lord, and FAITH as we take these steps. Pray for peace, good communication for Ryan and I, and for the children to be flexible in the travel ahead of us. Pray for clarity in seeing the Lord's will and vision. Pray for discernment. Pray for us to have willing and open hearts. Pray for us to be used by God in whatever way He sees fit, and to be salt & light.

For travel prayers...this is our updated itinerary...

Stay in Huay Malai Thailand until March 22

Travel to Bangkok on March 22, spend the night
