We know families face hard times financially and we want to help students be able to attend important Herd trips and events. The money available for scholarships comes as gifts to the church from individuals who believe that helping students attend ministry events and trips is important. Not being able to afford camp because of a new plasma TV is more about family priorities, not true financial need and isn't a good use of the money available. Filling out this form is necessary to receive assistance from Bethany Church and also helps keep a record of the assistance provided.
